List participation of graduate association events/department volunteer activities:

**A Copy of Your Abstract, Itemized Budget and Documentation of Abstract Acceptance Must Accompany this Application.**

Specify any special circumstances:

**IMPORTANT GUIDELINES:**

*Awards will be given (pending availability of funds, up to \$750, with a maximum of 2 awards throughout a students time in their program) to students attending meetings that are **national or international in scope** and whose theme puts a strong emphasis on Nutrition. The student **must have a thesis project** and have a **record of active participation in graduate association events (at least 50% of activities) and/or departmental volunteering activity**. To be eligible for an award, the student must be scheduled to give a poster or oral presentation of their work and be registered to present during the semester in which the scholarship is awarded.*

**Identification of travel support by the Department of Nutrition must be included in the Acknowledgements portion of delivered presentation(s) and/or poster(s). Students are limited to 2 travel awards throughout their time in their program.**
