

Department of Nutrition and Food Science  
0 Credit Graduate Seminar Waiver

All NFSC Students are required to register in either 0 or 1 credit seminar every regular semester. If NUTR/FSTC/NFSC 681 has a time conflict with a required course on your degree plan you can get a semester waiver. You will be required to attend an alternative seminar on campus for the entirety of the semester. You are not required to register in the seminar that you attend. Fill out the information below, and obtain the signature of your committee chair. Return completed waiver to Kristin de Ruiter in 129 Cater-Mattil or email to [kderuiter@tamu.edu](mailto:kderuiter@tamu.edu).
